

RECUPERADORES DE CALOR PARA AIRE - AIRE

Los recuperadores de calor de Colmac Coil son construidos para capturar y reutilizar energía valiosa, así se detendrá de desperdiciar energía y comenzar a ahorrar dinero. Esta tecnología ha sido usada en muchas aplicaciones en todo el mundo incluyendo universidades, hospitales, gimnasios, prisiones, escuelas, edificios militares y gubernamentales y casinos.

Vea al reverso de este folleto para una lista de todas las instalaciones que ahorran energía con los recuperadores de calor de Colmac Coil
